A note on the Annual British Gymnastics Fee

The Annual British Gymnastics Fee is NOT the same as the Annual Benchmark Membership Fee and must be paid to British Gymnastics directly. The Annual British Gymnastics Fee is due on joining and must be renewed in October of every year, irrespective of the date you joined (unless you join in September in which case your membership will run until October of the following year).

For insurance purposes new members must pay this fee BEFORE they can begin attending classes. Unless you are joining in September in which **PLEASE DO NOT PAY** your BG membership until we notify you as otherwise you may pay for the academic year that is about to end. New members who have a start date in any other month are not permitted to start classes with us until this fee has been paid.
